

June – August 2009

It is hard to believe but we are quickly approaching our 4th anniversary. Where the past four years has gone still seems to amaze us; however, it has been wonderful to have met and worked with so many new people. As we have promised each year our anniversary sale days will coordinate with the number of years we have been in business; therefore this year we will celebrate with a four day sale.

This quarter we are sending our newsletter by email. We are strong believers in the “Go Green” movement and feel this is a great way to help our environment. We also feel that rather than spend the money to print and mail them we will pass along the money we save to our customers through new and exciting promotions. Enclosed you will find this quarters classes, promotions and information. We also started sending promotions by email and it has been very successful so make sure you watch for our emails. If you have not signed up to be on our email list please be sure to do so soon.

Starting off we are offering Book of the Month Club in June. Every regularly priced book, not magazine, that you purchase will receive a special stamp in it. You will receive 20% off regularly priced yarn for items in that book for June and 15% off yarns to do patterns in that book for the rest of 2009. Every year we are asked to bring back this sale and of course we abide. It is a great way to do many projects and enjoy a discount at the same time. In addition to our book sale we are also having a Summer Shawl Sale. Come in and check out a variety of yarns that are offered at a discounted price and knit a beautiful summer shawl. While many think of shawls as only a winter project they are perfect to wear in the summer while indoors and chilled by the air conditioning or for those breezy evening spent out doors. Stop by and see the yarns and what else is new!

July marks our 4th Anniversary and thus July 15th through July 18th we will have our fabulous four-day sale. The key is you will have to come to the shops to find out what are involved in the sales. We will have project discounts, pattern discounts and of course the sale wall will have an added promotion to it as well.

We will have back by popular demand this year our beautiful Christmas Stocking Trunk Show. As in the past we know this event will be a huge success and hope you can attend. The thought of starting a Christmas tradition by knitting beautiful stockings for your family and generations to come is a topic many of our clients talk regularly about. July is the ideal month to start this project; giving you plenty of time to have several of them finished by Christmas. Our trunk show will run from July 11th to July 26th. Be sure to stop in and see all the beautiful samples. Not quit comfortable doing a stocking on your own? Let Kelly guide

you through the process in a class beginning July 29th. She will teach you to understand the patterns, learn the techniques and finish your stocking in no time.

August brings that time of year when we all start thinking of sending the children either back to school or off to college. Let KnitWitts help beat those blues away with our annual Back To School Sale Monday, August 10th through Monday, August 17th. You will receive a \$15 gift card for every \$50 you spend. This is a fabulous way to earn money towards future purchases. This along with having classes to start working on gift ideas for Christmas of 2009 will lead us into our fall quarter.

As most of you know we cut back a tad on classes in the summer, as everyone gets busy with their children, their yards and their vacations. Make sure to check out our class schedule to see if there is a quick class you want to pick up for the summer. Remember also to stop in and check out numerous quick projects that are small, portable and easy so that you can have something working during the break. The one small project that will take a life of it's own on is our favorite Afghan Class. This class also gives you a small project to have with you at all times as you learn a new stitch monthly. Once done you will have an amazing afghan to snuggle up with. That class meets the second Monday of every month from 5:30 to 6:30 p.m.

If you have children or grandchildren that have been wanting to learn to knit, please know we have a great teacher, Anne, who will be offering a child's beginning knitting class every Tuesday morning at 10:30 for the duration of the summer. We ask students be 9 years old and up or know how to tie their shoes. Call or stop in for more information.
